

The SAFESPUR Forum

Sharing supplier good practice for nuclear and defence sites

Who are we?

The SAFESPUR Forum is a network specific for the supply chain working on contaminated land and decommissioning projects for the nuclear industry. Its main aim is to share supplier good practice for nuclear-licensed and defence sites.

What does SAFESPUR do?

The SAFESPUR Forum provides:

- a comprehensive series of workshops and events throughout the year
- free attendance for up to two delegates at any SAFESPUR event
- continuing professional development (all events are CPD accredited)
- access to event reports from past events to all members
- business networking opportunities.

SAFESPUR network benefits

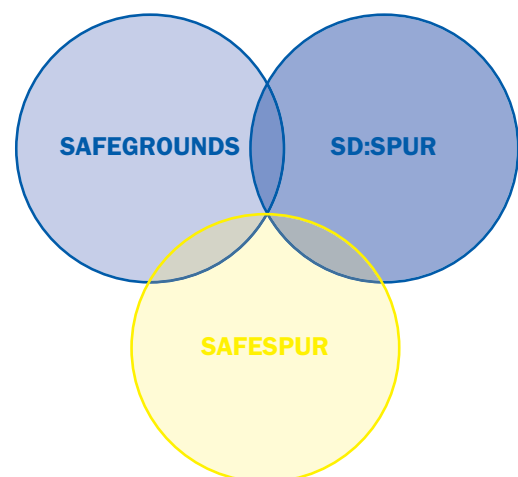

By joining the SAFESPUR Forum you can:

- be kept up-to-date with the latest developments in nuclear decommissioning and waste management
- learn from key industry experts
- attend our programme of events including site tours
- enjoy discounts at SAFEGROUNDS and SD:SPUR conferences
- benefit from networking opportunities with industry practitioners and client organisations (eg NDA, MoD, site license companies).

Sharing supplier good practice in the nuclear industry

SAFESPUR is linked to the SAFEGROUNDS and SD:SPUR learning networks where good practice guidance for managing contaminated land and the sustainable management of wastes on nuclear and defence sites are developed.
